Monetary donations to the Midland County Emergency Food Pantry Network are tax deductible and also qualify for the "Food Bank" credit on your Michigan Income tax return. The allowable credit is the smaller of 50% of the contribution or a maximum of \$100/person (or \$200 for those who are married filing a joint return). This state tax credit applies only to donations that are made to Midland County EFPN. Donations made directly to a church pantry are not eligible. Donations can be designated for the pantry programs or for operations.
